Glenda Lunsky and Associates
Senderwood

Dear Glenda

On behalf of the Democratic Party I would like to thank you for organising the Democratic Party "Fight Back" Campaign offices in Rosebank. Your workmanship and the dedication which you showed in getting the offices done with the time constraint we gave you, demonstrated your commitment to doing a professional job. Your valuable contacts in Johannesburg also meant that we could have offices in operation with the least bit of delay.

Kind regards.

Tony Leon MP
Leader: Democratic Party
