Dear Glenda

On behalf of ACNielsen, I have pleasure in confirming the Management Executive's unanimous decision to appoint you as the official Architects, Interior Designers, and Contractors of the refurbishment to our existing Head Office in Gauteng.

We appreciate your expertise and enthusiasm for the project and especially the attention to our staff and management needs. We look forward to this continued service from you and your staff and to a long and successful working relationship.

As discussed, although we will continue and are proceeding with the aesthetic refurbishment - we are still interested in the possibility of targeting a site in Ormonde whereby Glenda Lunsky & Associates would (in conjunction with your Architectural and Interior Design Expertise) head, on behalf of ACNielsen, a turnkey custom designed Head office according to ACNielsen's needs and requirements. ACNielsen would be afforded the naming rights on the building accordingly. Should the fee structure proposed be accepted, ACNielsen would, subject to authority from its holding company, agree to lease this property for a minimum period of 10 years.

Yours faithfully
