

TO WHOM IT MAY CONCERN

This is to certify that Glenda Lunsky and Associates was commissioned by ACNielsen BV to carry out the refurbishment of our building at Handel Road, Ormonde.

GLA has always delivered on time and worked within our budget parameters. Timeline was crucial and these have always been met. Estimated cost of the project is R40 million.

GLA and her contractors have been of wonderful service and the support that we had from them was fantastic.

I have no hesitation in recommending Glenda Lunsky and Associates. Glenda is an incredibly creative, talented interior architect who is flexible enough to accommodate all situations. She always looks for the most cost effective solution, without compromising quality.

Please feel free to contact the writer should you require further information.
